PANEL, DOOR, AND CEILING TRIM

Create style and depth on a plain door, cabinet, wall or ceiling with our elegant collection of trim mouldings available in four sizes. Matching quarter circle trims can be used in a variety of ways to enhance a simple wall or surface. Curved ceiling trims, available in two sizes, are designed to either highlight a ceiling medallion or use alone to add architectural character to any room.

Item	Species	Size

EMBOSSED MOULDING

SAUSAGE AND BALL

S&B001 Casing

S&B007 Chair Rail

S&B750 Base

LEAF AND VINE

L&V001 Casing

L&V007 Chair Rail

L&V750 Base

EGG AND DART

E&D001 Casing

E&D390 Chair Rail

E&D750 Base

Our three patterns of solid pine embossed mouldings provide an opportunity to add a unique style and distinctive flair to your home interior. Each pattern offers a casing, base, and chair rail to complement your particular room style. You can also special order the base to use as a crown backer-board for a truly dramatic combination crown. Embossed mouldings are ideally stained as this enhances the embossed pattern. Painting may mask the beauty of these unique mouldings.

Item	Description	Size
S&B001	Sausage & Ball Casing	1-1/16" x 3-1/2"
S&B007	Sausage & Ball Chair Rail	1" x 3-1/2"
S&B750	Sausage & Ball Base	9/16" x 4-1/4"
L&V001	Leaf & Vine Casing	1-1/16" x 3-1/2"
L&V007	Leaf & Vine Chair Rail	1" x 3-1/2"
L&V750	Leaf & Vine Base	9/16" x 4-1/4"
E&D001	Egg & Dart Casing	1-1/16" x 3-1/2"
E&D390	Egg & Dart Chair Rail	11/16" x 2-5/8"
E&D750	Egg & Dart Base	9/16" x 4-1/4"

All embossed mouldings in clear pine. Embossed mouldings stained for photography.

SPECIALTY TRIM

Classic Header Trim

Stop Fluted Jamb

Stop Fluted Casing

Our line of solid wood specialty trims offers stylish alternatives to traditional designs. Use our stop-fluted jambs to provide architectural detail to a plain cased opening. Stop fluted casings, available in either Victorian (as shown) or Traditional fluting, will embellish windows, doors, and cabinets. Our finely crafted classic header trim provides a beautiful, no-miter alternative for new construction or a simple, elegant retrofit on a remodel installation.

Item	Size	Description
Stop Fluted Door Jamb	11/16" x 4-9/16"	Finger Jointed Primed
Stop Fluted Casings	3/4" x 3-1/2"	Standard and Custom Lengths, Traditional and Victorian (shown) styles
Classic Header Trim	2-3/4" x 5-1/2"	Custom Lengths, Primed or Raw

Door and Window Trim in pine. Stop Fluted Casing also available in oak.
